#### Catalog Term Change

Moving backward to a previous catalog? → This option is only available to students who have returned to the university after being out for **fewer than 24 months**.

Check boxes below to indicate you have read and agree.

1. Please change my current degree catalog to the term indicated below. I am a continuing student, or have been readmitted, and I realize that this is a one-time action and that I cannot "undo" this action and return to an earlier catalog term for my major. I have consulted with my advisor and determined that this reassignment is in my best interest. (Note: General education catalog will not be affected.)

2. I understand that I will be held to all major program requirements and university requirements (except General Education) effective in the term below:

**INDICATE YOUR DESIRED CATALOG TERM (select only ONE term)**

Write in the year next to the term that will be your major catalog term.

Fall 20\_\_\_\_\_

Spring 20\_\_\_\_\_

Summer 20\_\_\_\_\_

#### New "Block" General Education

I request to be reassigned to the new "Block" General Education Requirements.

I understand that this is a one-time action and that I cannot move back to the old requirements at a later date. I have consulted my advisor and have determined that this reassignment is in my best interest.

(Note: Student's major catalog will not be affected.)

Please change my general education requirements (pre-2006) to the new block requirement.
